Notes:

- * VAT of 15% is applicable to all except residential and social customers. The **published tariffs EXCLUDE VAT**.
- * **General connection** categories are available to any customer who is not an institutional customer, nor residential customer.
- * **Institutional customers** are any form of Government or State-Owned Enterprise (SOE) customer except for shareholding Local Authorities and Regional Councils.
- * **Rural MV supplies** are defined as individual connections or a group of individual connections that are provided by means of a dedicated transformer point from a rural medium voltage network (typically farms)
- * An "extra supply" on a Rural MV or Plot MV network is defined as a second or any further supply taken on the same registered property by the same natural or juristic person
- * **General SME Prepaid** tariff is available to small business customers with a **maximum of 60 Ampere single phase connection**.
- * **Social tariff limited up to 20Amps** is available for any consumer who can operate their domestic electricity usage activities within the set power limit without interruptions due to overload. CENORED will not be held liable for damages caused by interruptions (trips) due to overload.
- * For more information on the tariff rules and conditions and service fees, visit CENORED website www.cenored.com.na or contact our call center toll free nr. **081 959 999**.
